EXPERIENCE

Social Media Intern - TV4 (Tamazight Channel)

Dec 2025 - Mar 2026

(Algeria)

- Created engaging digital content for social media platforms by designing post graphics, program promos, and visual assets promoting cultural and news programming.
- Designed reusable templates and layouts for recurring posts and show announcements, helping streamline content production and reduce design turnaround time by **30%**.
- Adapted broadcast graphics into platform-specific formats for Instagram and Facebook, driving a **20%** increase in engagement and ensuring a seamless cross-platform brand experience.
- Assisted in preparing short-form video content by adding captions, text overlays, transitions, and end screens to enhance viewer engagement on digital platforms.
- Ensured all visuals followed the channel's brand guidelines, typography, and visual identity across social and broadcast outputs.
- Monitored engagement on published posts and helped adjust visual formats to improve audience interaction and reach.
- Maintained organized content folders and asset libraries to support efficient content scheduling and collaboration with producers and editors.
- Implemented editorial feedback quickly and delivered revisions under tight production deadlines.

- Proofread captions and on-screen text to ensure clarity, accuracy, and cultural sensitivity before publication.
- Researched trending formats and social media styles to inform new post formats and improve audience reach.

Social Media and Content Strategist Intern -

Sep 2025 - Dec 2025

Project Vote SA (Virtual)

- Managed multi-platform social media accounts, including Instagram, TikTok, LinkedIn, X, and Facebook, publishing 4 posts weekly to maintain consistent audience engagement.
- Designed infographics, post graphics, and short-form videos translating complex civic topics into youth-friendly visual content, increasing average engagement by **90%**.
- Edited short-form videos (Reels/TikTok/Shorts) using captions, overlays, and transitions, contributing to a **35%** increase in average video watch time.
- Tracked comments, messages, and engagement metrics to track audience response and support community interaction.
- Analyzed performance data to identify high-performing content formats and refine posting strategy.
- Created a flexible content calendar adapting for changes and developments in the South African political landscape.

Sales & PR Assistant - PengStreet Ghana

Jul 2025 – Aug 2025

(Virtual)

- Implemented a TikTok content strategy, including short videos and trend-based posts, that generated **5,000+** new followers.
- Collaborated with designers and engineers to ensure marketing visuals aligned with brand identity and campaign messaging.
- Analyzed click-through rates and engagement metrics to improve ad targeting and content performance.
- Helped with digital campaigns and promotional messaging for product launches.
- Scheduled and published social media posts using platform tools while maintaining a consistent content calendar.
